Plaintiff,

DA Case No.: 2024ML006357

Court Case No.:

vs.

CRIMINAL COMPLAINTSTRICKLING, LONDALE QUINTAE
PO BOX 101002
MILWAUKEE, WI 53210
DOB: 07/11/1983**Defendant(s).***For Official Use*

THE BELOW NAMED COMPLAINANT BEING DULY SWORN, ON INFORMATION AND BELIEF STATES THAT:

Count 1: POSSESSION OF A FIREARM BY A FELON

The above-named defendant on or about Tuesday, March 21, 2023, at 3624 West North Avenue, in the City of Milwaukee, Milwaukee County, Wisconsin, did possess a firearm, having been convicted of a felony in this state, contrary to sec. 941.29(1m)(a), 939.50(3)(g) Wis. Stats.

Upon conviction for this offense, a Class G Felony, the defendant may be fined not more than Twenty Five Thousand Dollars (\$25,000), or imprisoned not more than ten (10) years, or both.

Probable Cause:

Your affiant is a City of Milwaukee law enforcement officer and I base this complaint on my review of official Milwaukee Police Department reports. Said reports indicate the following:

On March 21st, 2023, around 2:36pm, officers with the Milwaukee Police Department responded to the area of 3624 W North Ave, Milwaukee, Milwaukee County, WI in regards to a shooting complaint and ShotSpotter activation. Upon arrival, they were flagged down by the defendant, Londale Strickling. The defendant turned over a 9mm firearm and indicated he had just been involved in a shooting. The defendant initially gave his name as Kabir-Elohim Israel.

The defendant indicated that his van had broken down and he had tried to hire a mechanic. He indicated the mechanic that came started work but stated he couldn't finish. The defendant stated that the mechanic demanded payment but the defendant did not want to pay until the work was done. The defendant stated that led to an argument but nothing happened at that time. The defendant stated on March 21st he decided to sell his van and contacted a scrapper to buy his van and tow it away. The defendant stated the tow truck driver, GL, showed up and the both of them began to hook the van up to the tow truck. The defendant stated at that point he heard a gunshot and saw who he recognized as the mechanic in a mask with his eyes visible now armed with a gun pointed at him. The defendant stated he then unholstered his weapon and fired it at the mechanic and struck him. The defendant stated the mechanic was hit but he continued to try and clear a jam in his gun. The defendant stated he yelled at the mechanic to drop the gun and the mechanic ran off.

GL corroborated the defendant's story. Police found casings and a blood spot in the area where the mechanic had shot from. An individual suffering from a gunshot wound had been dropped off at a Fire Station nearby within minutes of the shooting matching the mechanic's description.

A review of the defendant's prior record reveals that he was convicted on April 13th, 2017 in Milwaukee County Case 2015CF138 for Possession of Burglarious Tools, a Class I Felony. The conviction is of record and unreversed.
